

Reservoir High School Music

Music Boosters Student Account Form

In order to own a student account the following information must be provided. Please complete the following form and have the student return, to the safe, no later than December 9, 2016. My goal is to provide families with up to date information for the parents and students to know their balance before the Spring Trip pledge night.

The funds in this account can be used for uniform fees, as well as, saving for Spring Trip. If all the funds are not used upon Graduation. If there is a sibling in the department the funds will transfer. If not they will be moved to the surplus student account.
